Then there is some other work by Bourdieu...

Bourdieu, P. 1996: *On television*. New York: The New Press. (his polemic)

Bourdieu, P. 1984: *Distinction: a social critique of the judgement of taste*. London: Routledge. (some sections deal with class and French newspapers)

Bourdieu, P. 1985: The social space and the genesis of groups. *Theory and Society* 14, 723-744. (talks a little about fields and groups)

And in French ...

Champagne, P. 1990: *Faire l'opinion*. Paris: Editions Minuit.

Also, if you are interested in sports journalism, you may want to see this (which is very different to Bourdieu)...
